WRIT PETITION No.15201 of 2006

ORDER:

Heard both the counsel.

The writ petition is filed for a writ of *mandamus* or any other writ, order or direction declaring the action of the first respondent in not acting upon the proposals sent by third respondent for inclusion of fifth respondent Gram Panchayat into fourth respondent Municipal Corporation, as illegal, arbitrary and without jurisdiction, by consequently directing the first respondent to forthwith take decision on the proposal sent by third respondent by merging the fifth respondent Gram Panchayat with fourth respondent Municipal Corporation and pass such other orders.

It is needless to say these are all matters in which the Government may have to take decision. Several factual details, no doubt, had been narrated. The particular grievance is that in spite of the proposal sent by the third respondent, the Government is not taking any decision in this regard.

In view of the facts and circumstances, the writ petition is disposed of permitting the petitioners to make a representation afresh narrating all the details, within a period of two weeks and the Government to consider the representation and dispose of the same in accordance with law, as expeditiously as possible.

The writ petition is disposed of accordingly. No costs.
